

Indigo Financial can help your business

We don't just manage your numbers...

our Virtual CFO service will drive your business forward!

Accounting, Bookkeeping & Compliance

We handle the numbers
—so you can effectively
run your business.

Clean, ready-to- lodge
financials and tax returns

Full bookkeeping service
powered by Xero

BAS, lodgement and all
essential compliance covered

Cash Flow & Working Capital Management

Profit doesn't pay
the bills—cash does.

12-week rolling cash flow
forecasts to avoid surprises

Proactive receivables
& payables management
to keep cash moving

Budgeting & Cost Control

Keep more of what
you can earn.

Annual budget planning
to guide your team

Budget vs actual tracking that holds
everyone accountable

Financial Reporting & Insights

Data is power—but only when it's
clear, timely
and actionable.

Quarterly reports
you'll actually use

KPI dashboards that
highlight what truly matters

Why choose Indigo Financial?

We're not your average outsourced accounting firm. We act like owners. We're proactive. If you win... we win!

✓ Real CFO strategy—not just bookkeeping ✓ Fixed monthly pricing—no surprises

Ready to make a change? If you need more than a bookkeeper, we can be your financial growth partner.
